

Coast Guard

The Coast Guard Team at The SPECTRUM Group (TSG) is uniquely positioned and connected to help our clients, delivering deep and broad experience across the Coast Guard - industry interface while drawing on TSG's in-house Homeland Security, Navy, Defense and International Teams' expertise.

Our acumen helps clients with business objectives involving Coast Guard Major Systems Acquisition, procurement and capital resources, as well as maritime legal, safety, security, search and rescue, regulatory and environmental matters.

Coast Guard projects frequently involve other federal and military entities. We deliver successful outcomes to clients looking to

enter the Coast Guard market in security, devices, technology, intelligence, ships, watercraft and training arenas, as well as clients focused on acquisitions, due diligence and strategic partnerships.

The Coast Guard Team's operational and program directorship backgrounds in aviation, surface operations, mission support and senior field commands enable us to provide our clients with access to key decision-makers throughout the Coast Guard and its related and supporting organizations.

Our mission is our clients' success. Visit our website to learn more and to meet our Coast Guard team: www.spectrumgrp.com.
