Expertise Areas

- Strategic Planning
- Business Development and Proposal Color Teaming
- Command, Control, and Organizational Communications
- Military and Civil Aviation
- Special Operations
- Transportation and Training Systems
- Emergency Preparedness and Crisis Management

Professional Experience

Colonel Durham delivers more than 45 years of expertise in strategic planning and acquisition programs, focused on special operations and unmanned systems. He has worked in diverse global locations and maintains a strong network to support clients at The SPECTRUM Group interested in entering new markets and pursuing targeted international or defense opportunities.

Colonel Durham's private sector experience includes serving in senior analysis and executive positions at Burdeshaw Associates and Science Applications International Corporation (SAIC). In his Air Force career, he held a variety of strategic operations positions supporting and leading Special Operations commands and task forces, culminating in serving as Chief of Strategy, Doctrine, and Future Development for Air Force Special Operations Command. His international experience includes serving as Chairman of the NATO Aeromedical Evacuation Rapporteur Team at NATO Headquarters.

His operations command experience included serving as Director of Operations for the Joint/Combined Special Operations Task Force for Operations Deliberate Force and Deny Flight (Bosnia-Herzegovina) and Senior Special Operations Liaison for Coalition Air Campaign Headquarters for Operations Desert Shield and Desert Storm (Saudi Arabia). He also served as Director of Operations for the Air Force Special Operations Task Force for Operation Promote Liberty, and as Director of MC-130P Operations for Operation Just Cause (Panama).
